KIMBERLEY WALLIS (KIM)

After being with us from the very beginning, our wonderful Aesthetician Kim is sadly leaving the FA team.

Kim has been a loyal, reliable and extremely professional Practitioner and has developed great relationships with staff as well as clients. She will be greatly missed, and we wish her all the very best.

Our lash extension clients, from January will be taken over by Tanya.

MALE LASER!

Male laser has become increasingly popular in today's beauty industry. Please remember that all laser treatments require a pre patch test and for maximum results, a minimum course of 6 treatments over a period of 6 months is advisable.

Start now to get ready for Summer 2020!
